I was just able to connect with Elexis and with her OK, we are using my self-assembled PA to sign and send on to Kitty. It remains unclear why we never heard from the NPS about the good change, but as they used to say on that 90's TV hit Ally McBeal "Bygones!"

Hi Amy,
Sorry to miss your call last week. I'm interested to hear what you think of the modified language when you receive it. I think Elexis would be the appropriate person to request that from. I'd be interested in a post-consultation debrief with the two of you sometime.
