Subject: Hydrology studies at Yosemite National Park
Date: Tuesday, February 09, 2016 1:41:35 PM

Hi Kitty,

I've been meaning to return your call, but time has gotten away from me a bit since January. If you'd still like to discuss the hydrology studies, I have some times we could chat this week or next. Thursday morning is pretty open, as is Friday afternoon. I'm free most of next week, with the exception of Wednesday at 1 PM PT.

Hope all is well with you.

Mark
