That's probably a good idea. In the meeting, Linda Mazzou couldn't say for sure if the bridges were ORVs. Luckily, someone told the group that not only are the bridges part of the cultural ORV, they are also listed in the NRHP. Also, , and Kathleen Morse said removing Sugar Pine Bridge is not off the table

Hi Mark: we did hear from Maddie that we'll be able to watch the video of the presentation before our meeting Monday and we plan to do that.
