Sugar Pine Bridge Consulting Partners:

Please see the information below related to the upcoming data-sharing workshop this Wednesday, May 17th for the hydrological study in the vicinity of the Sugar Pine Bridge in Yosemite Valley. If you have not already registered, we encourage you to do so. Please feel free to forward this to any other people you feel might be interested in the presentation. Please note that the powerpoint presentation is attached as a file so that you can review the information prior to the workshop.

Should you have any questions, please feel free to call me prior to the webinar, or contact Juliana directly at the number provided below.

Thank you

Kimball Koch  
Yosemite National Park Section 106 Coordinator  
209-379-1364

Good Afternoon,

For your review, attached is the presentation for the Merced River Restoration research project update, to be given in a webinar on Wednesday, May 17, 2017 from 10:00am-12:00pm (PST).

To participate in the webinar, you will need to register using the link below. Once you are registered, you will receive a confirmation email. To join the webinar please open the link in the email and follow the directions to connect to the webinar. During the webinar you will be able to send questions to Principle Investigator Derek Booth and the National Park Service team.

If you cannot participate in the webinar, you can still listen to the webinar and pose questions. The Center for Collaborative Policy will record the webinar and the National Park

Service will post it on their website. You can send your questions to Juliana Birkhoff, who will forward them on to the appropriate people.

If you have any questions about the webinar, please feel free to call or email Facilitator Juliana Birkhoff at (916) 341-3331 or [jbirkhoff@ccp.csus.edu](mailto:jbirkhoff@ccp.csus.edu).

## **Register now!**
