

**STAKEHOLDER MEETING TO DISCUSS PROGRESS ON STUDY OF
MERCED RIVER RESTORATION IN YOSEMITE VALLEY**

**November 1, 2017, 1:00pm -- 4:30pm
Center for Collaborative Policy
815 S Street, 1st Floor, Large Conference Room, Sacramento, CA, 95811**

**If participating via webinar, please register early at:
<https://attendee.gotowebinar.com/register/5049972630293470722>. After registering, you will receive a confirmation email containing information about joining the webinar.**

-- AGENDA --

Meeting Purpose: Update stakeholders on progress of the study and invite input related to next steps

Objectives:

- Develop shared understanding of the river study findings to date;
- Cooperatively develop criteria for evaluating mitigation measures designed to reduce the hydrological and geomorphic impacts of Sugar Pine Bridge (the “defined criteria for success,” per MSRP, p. 8-215).

Time	Topic, Objective, and Activity	Materials	Lead
1:00 pm	<p><u>Welcome and Opening</u></p> <ul style="list-style-type: none"> • Welcome • Meeting purpose and context • Review objectives • Review agenda • How to participate in the room and remotely • Review ground rules • Plans for meeting summary 	Agenda Ground rules	Joe Meyer, NPS, Division Chief of Resources Management & Science Marci DuPraw, CCP Facilitator
1:15 pm	<p><u>Merced River Study Findings: Presentation and Facilitated Questions and Answers</u></p> <p><i>Objective: Update participants on study findings to date</i></p> <ul style="list-style-type: none"> • Summary from prior presentations <ul style="list-style-type: none"> ○ Study context ○ Study scope, approach, and team ○ Schedule and study status • Findings regarding: <ul style="list-style-type: none"> ○ Characteristics and condition of the Merced River ○ Identified influences on riverine and riparian health ○ Remaining work to complete these assessments • Q&A 	Power point presentation slides (<i>copy for attendees with room for notes</i>)	Derek Booth, Bren School, University of California, Santa Barbara; Marci DuPraw, CCP Facilitator

Time	Topic, Objective, and Activity	Materials	Lead
2:30 pm	BREAK	Light refreshments	
2:45 pm	<p><u>Participant Input: Presentation and Facilitated Discussion</u> <i>Objective: elicit suggestions from participants regarding criteria to use in evaluating alternative ways of reducing the impacts of Sugar Pine Bridge.</i></p> <p><u>Presentation</u></p> <ul style="list-style-type: none"> • What are the documented impacts throughout the project area? • Examples of methods used elsewhere to improve riverine and riparian conditions • Examples of potential “criteria for success” that could be applied <p><u>Facilitated discussion</u></p> <ul style="list-style-type: none"> • Participant responses and suggestions for additional evaluation criteria 		<p>Derek Booth, Bren School, University of California, Santa Barbara;</p> <p>Marci DuPraw, CCP Facilitator</p>
4:15 pm	<p><u>Next Steps and Action Items</u> <i>Objective: ensure accountability and demonstrate that input has been heard and considered</i></p>		<p>Greg Stock, NPS Project Manager;</p> <p>Marci DuPraw, CCP Facilitator</p>
4:30 pm	<u>Adjourn</u>		All
